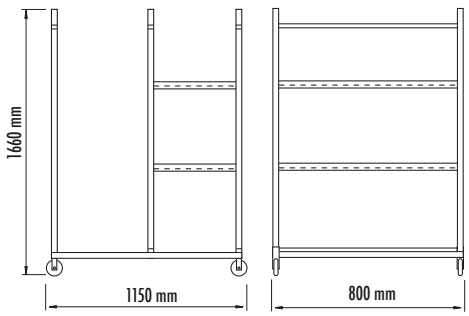
CARRELLO PER LAMIERATI | STORAGE TROLLEY Art. 304



Art. 304
Pratico carrello per riporre ordinatamente tutto il materiale smontato da una vettura in riparazione.
Robusto e maneggevole, dotato di 2 ruote piroettanti e 2 fisse, consente lo stoccaggio sicuro e razionale delle parti smontate.

Large trolley to stow all parts dismantled from a vehicle before repair.
It is very strong and handy, thanks to 2 swivel wheels: loose parts can be neatly set away and quickly returned to the vehicle for reassembling.

Caratteristiche tecniche Technical specifications		304
Materiale, Row Material		tubolare in ferro verniciato tubolar painted steel
